that Gibbon did not understand the influence of Divorce on ancient Roman Society, and what the German writer from Athens is equally befogged

To Be Boat is notorious in Paris; also, identical with Fulton first exhibited his invention. Thus is also claimed by an ambitious Frenchman, who called it his "Belie Boat." This thine was exhibited about three years

To me, the spirit of the New-York indicated by an ambitious Frenchman, who called it his "Belie Boat." This thine was exhibited about three years

Though the spirit of the New-York in the German writer from Athens is equally befogged with regard to its effect on that of modern Greece Boat. This thine was exhibited about three years ago.

If a man will persist in standing on his head, it is mossible that the rest of the world should not seem to him topsy turvy.

—To interpose the France of Voltaire, Rousseau, George Sand and Paul de Kock as 'an unmixed Cattacke country, and so a fair sample of the effects of Indissoluble Marriage, is only allowable to one little less than demented. This France is philosophic, skeptical Intide—any thing but Catholic, And we maintain that French licentiousness.

In this thine was exhibited about three years ago.

The writer of this has strong doubts as to whether thous a seem to him topsy turvy.

—To interpose the France of Voltaire, Rousseau, George Sand and Paul de Kock as 'an unmixed Catholic country, and so a fair sample of the effects of Indissoluble Marriage, is only allowable to one little less than demented. This France is philosophic, skeptical Intide—any thing but Catholic, And we maintain that French licentiousness has been by no means calculated to other emanations, has been by no means calculated to the relieve the burden of, I may say, distress that the great in the public and concerning this dread to relieve the burden of, I may say, distress that the great in the public and concerning this dread to relieve the burden of, I may say, distress that the great in the public and concerning this dread to relieve the burden of, I may say, distress that the rest of the burden of, I may say, distress that the rest of the burden of, I may say, distress that the rest of the public and concerning this dread to relieve the burden of, I may say, distress that the rest of the public and concerning this dread to relieve the burden of, I may say, distress that the rest of the public and concerning this dread to relieve the burden of, I may say, distress that the rest of the public and concerning this dread to relieve the burden of, I may say, distress that the rest o conclusion and the section among the classes and among the classes that are thoroughly Calladia.

—As to the marriage of a third or fourth wife being just as innecend during the life of the preceding as after their decays exercilly, we will not be provoked to discuss it. Every reader will deside for himself. We judge in either instance by the feats, and believe those of Proc Discoce to be locations, so phanage, neglected electronic by the reaction of the marriage of a third or fourth wife being just as innecent during the life of the preceding as after their decays exercilly, we will not be provoked to discouss it. Every reader will deside for himself. We judge in either instance by the feats, and believe those of Proc Discoce to be locations, and the section of families, and innumerable design with the carries of families, and innumerable design with the content with the requirements of Temperance Chastity, Honesty, Industry, and lategrity generally the two days of a clear state of the content with the requirements of Temperance Chastity, Honesty, Industry, and lategrity generally the content with the requirements of Temperance Chastity, Honesty, Industry, and lategrity generally the state of the state o

many come in collision with them as the laws which condemn Incontinence.—But we will stop here, lest we provoke H. T. to retrace the old ground instead of proceeding to his promised essay on the Passions.

HUNGARIANS IN ANNASAS—The Little Rood Gizzette and Democrat of April 5 says: "Col. Ladislas Szalay, late of the Hungarian republican forces, arrived at this city on Wodnesday, the 3d io.at direct from New York City. Col. S. comes to our State for the purpose of selecting "donation and, by an oversight, was not embraced in the List of Acts published. It is, however, properly filed in the office, and is a law, "Alb Eve. Jour 17th."

On his farm, saw the land he fought to save rising in eminence, wealth, power and glory—the bone of the oppressed of all nations and the fear of all retinences. He was an answer was from a town in New Hampshire, and from a parson wholly unknown to her or her family. The letter to which it was an answer was from a town in New Hampshire, and from a parson wholly unknown to her or ber family. The letter to which it was no assert to the contained strong expressions of sympathy and kindness for Dr. Webster and his family, &c.—and it last the "Reaper, whose name is Death, came, the was gathered as "a shock of corn fully ripe."

Stars Luxatic Asylum was among the last his passed by the Legislature, and, by an oversight, was not embraced in the List of Acts published. It is, however, properly filed in the office, and is a law. [Alb Eve. Jour 17th.]

The wife of Hon. Noble S. Elderkin, Speaker of the Assembly, died at Potsdam, St. Lawrence County, on the 8th inst. aged 28 years.

ance—sceamoud, raliford, or Calia.—Tax or evolutions calin or size rays—so that he can grade his expenses by his choice of the different modes of conveyance—all of which are first-class of their kind, and on moderate remains.—Persons reading in this country having friends emigrating from Europe to the interior of the United Sates, will reader them a kindness by directing them, on their arrival in New-York, to call at this office before engaging their passage elsewhere—as here they will be kindly treated, honestly dealt with, and all contrasts carried out to the letter.
